

The Leading Governance Partnership, led by the National Governors' Association is delivering this programme for EES for Schools. This national programme is an important step towards improving the effectiveness of governing bodies by developing the skills needed for high quality clerking.

Who is it for?

This programme has been designed for new and experienced clerks in all school settings. It is unique in that it is seeking to 'professionalise' the role of the clerk and is a certified programme from the National College for Teaching and Leadership (NCTL).

Overview of the programme

The programme will consist of:

- 360 diagnostic and dedicated mentor
 - Access to all resources on our Learner Management System (LMS)
 - Face to face Essential Units -
 - Introduction and Induction
 - Record, Retrieve and Research
 - Accountability
 - A Team Approach
 - Group Evaluation
 - Online Elective Units –
 - Clerking Governing Body Panels
 - Governing Body of a Church School
 - An Introduction to Academies
 - Multi School Settings
 - Sixth Form Colleges
- Leading Governance – additional elective units
- Four additional Elective Units only available through Leading Governance -

- Clerk as a provider of CPD, including health check
- Clerk's role in the appointment of the Head or Deputy Head
- Clerk's role in managing Governing Bodies in extreme circumstances
- Clerking of an IEB

This programme is underpinned by a competency framework that focuses on the skills, knowledge and behaviours required to be a highly effective clerk. The elective units are contextualised and therefore provide the participant with a choice of subject areas that are appropriate to their individual learning development needs.

Participants will be required to undertake a minimum of three Elective Units, in order to complete the programme. However, Leading Governance supports life long learning so participants will have continual access to all resources for as long as they would like.

Learning outcomes

Participants will have the opportunity to:

- Identify their own areas of strength & development
- Deepen their understanding of the core competencies related to effective and quality clerking
- Improve their individual skills, practices and behaviours
- Increase their knowledge and understanding of Education, Governance and, Legal frameworks and regulations
- Learn from each other, share good practice and promote networking
- Engage with a range of learning opportunities to drive improvement
